PRESIDENT/CEO - HENRY ROSALES

THANK YOU FOR YOUR LEADERSHIP AND SERVICE!

To all AVA Board Members, Deputy Directors, and Committee Chairs who will be stepping down from board service, I am grateful for the opportunity to work with you and I appreciate your leadership. The AVA will not grow in isolation but rather in community and service to all who walk with us.

AVA REGULAR MEMBERSHIP MEETING, JUNE 14, 2023, 5:00 PM – 8:00 PM CENTRAL TIME.

This will be an electronic meeting utilizing the Zoom online meeting platform. Please do not forget to pre-register. The AVA's Presentation of Awards will be hosted during this meeting.

ONLINE MEETING REGISTRATION PROCESS

All those attending the upcoming online AVA General Meeting on Wednesday June 14th, 2023, at 5pm CT. should register (one time) for this meeting using following Zoom registration link:

https://us02web.zoom.us/meeting/register/tZlof-6orj8jGdWI2Jx4ilf8nos_8o8lVc1e

When registering, all club voting delegates (delegates, alternates, and proxies) should be sure the email address entry box in the registration form, that is often auto filled by your web browser, has been set to the same email address that was put in their club's credentialing form.

After registering, you will receive a confirmation email containing a custom meeting link. It is important that you only use the specific URL (link) sent to you via email after you have registered to join the June 14th meeting.

CLUB DELEGATE VOTING CREDENTIALS AND THEIR USE

All club voting delegates (delegates, alternates, and proxies) who have been certified will be emailed their Delegate Voting Credentials (DVCs) by June 2nd.

Those club voting delegates who have not received their DVCs via email by June 2nd should:

1. confirm that the ava.org notification email did not go to their email spam folder.
2. contact their club president to confirm their email was correctly entered in the club credentialing form.
3. contact Marian (marian@ava.org) to confirm the club delegate email was correctly copied from the club credentialing form.

During the meeting, when voting begins, all club voting delegates (delegate, alternate, or proxy) will be required to enter (one time) their assigned DVCs sent in a separate ava.org email as described above. Those representing multiple clubs should enter all of their assigned DVCs (one per club) as a comma separated string.

For example, a person representing 2 clubs, one as delegate and the other as an alternate will be sent 2 unique DVCs having the general form DC-123-4567 and AC-890-1234 (arbitrary numbers). When voting begins, these DVCs would need to be entered as "DC-123-4567, AC-890-1234".

All club voting delegates (delegate, alternate, or proxy) present at the meeting should enter all of their DVCs and vote, independent of their roles and the attendance of another club voting delegate of the same club. Once voting is complete, the results will be tabulated to assure that each club with a club voting delegate in attendance gets one vote per polled question. In particular, should a club's designated delegate, alternate and proxy all vote, then only the delegate's vote will be tabulated. Similarly, should a club's alternate and proxy vote then the only alternate's vote will be tabulated.

For those representing multiple clubs, it is possible your vote will be counted multiple times, subject to the conditions noted in the previous paragraph. Vote splitting, i.e., voting one way for one of the clubs you represent, but a different way for another club; is ONLY supported for proxy voters. Proxy voters who need to split their votes must separately collect their Split Vote Information (SVI) during the voting session then, after the voting has ended email the SVI to marian@ava.org. The collected SVI must contain a list of all voting questions along with the club (identified by club number) specific the vote for each question. All received proxy SVIs will be combined with the online voting information to determine the final official vote tabulation, a few days after the general meeting.

Club voting delegate selections received after May 31, 2023, will have their delegate, alternate, and/or proxied DVCs emailed a day or so after the selections have been received.

QUESTIONS AND TESTING

If you need help registering for the meeting or have any questions, please contact hector@ava.org. If you would like to test your system before the meeting, please contact Hector in advance.

IT COMMITTEE - MIKE GREEN, CHAIR

YEAR ROUND AND SEASONAL EVENT RENEWALS FOR 2024 BEGIN JUNE 1ST, 2023

The renewal of 2023 Year Round and Seasonal events (YRE/SEs) for 2024 will be enabled starting June 1st, 2023. Clubs are expected to complete the renewal of their 2023 YRE/SEs as well as any new YRE/SEs for 2024 by 8/31/2023.

NOTE: Clubs should NOT use the "New event - copy previous" feature in the Edit/New "NEW EVENTS TO BE COMPLETED" section to renew events.

On June 1st, the my.ava.org system will automatically copy the current (published) event information of each club's sanctioned 2023 YRE/SEs into the Edit/New event buffer. These copied events will then be listed in the "EVENT RENEWALS" section of the club's Edit/New page (found via the club's home page, then clicking on the "Sanctions" tab, then the "Edit/New" tab).

Any unpublished or unapproved changes to 2023 YRE/SEs will NOT be included in the event information copied on June 1st. The club's home page contains a "Edit/New Sanctioning Summary" table providing a count of events needing to be published or approved. Any club YRE/SEs listed in the Edit/New "EDITING CURRENT SANCTIONS" section may have unpublished/unapproved changes. Clicking on the "Review" button, for a listed event, displays all event information with change bars indicating what changes are still pending. Clicking on the displayed "Publish (make public)" or "Req Approval" button near the top of the Review page at least a week prior to June 1st will allow time for regional directors (and possibly state associations) to approve any event changes (needing approval) such that resulting published event information will be included in the corresponding renewal.

On June 1st, all published 2023 YRE/SE information will be copied into the renewal events with the following exceptions:

1. The event year will be changed to 2024.
2. Special Programs (SPs), that "expire" 12/31/2023, will be removed. (The SP expiration date is the date after which the SP POC will no longer officially accept completed SP books, as indicated on the current SPs web page, <https://cb.ava.org/specprog.php>)
3. The requested number of stamps for each renewal will be set to 1 for PSB and PSB/OSB events and 0 for OSB events. (The previous year's stamp request number is ignored. The first stamp for any event type is always free.)
4. The "Request" event to be PPSF (Per Participant Sanctioning Fee) will be NOT be checked off. (The 2023 PPSF setting is ignored.)

Clubs may also choose to mark any listed renewal as “Do Not Renew”.

For an event the club chooses to renew, a club manager should click on the listed renewal's “Edit” button. Then inspect/update the information displayed on the Edit page by clicking on each of the “Sanction Tiles” buttons near the top of the page. In particular, the club should consider possibly checking off “Request event be PPSF”, adding any applicable/new SPs (starting in 2024, see <https://cb.ava.org/futureprog.php>), and adjusting the number of requested stamps. Once a renewal's information has been edited and saved, a “Review” page displays all the renewal's information on one page. Clubs must click on the “Req Approval” button (near the top of the “Review” page) to indicate the renewal is ready for regional director (and state association if applicable) approval.

New YRE/SEs for 2024 should also be submitted for approval before August 31st, 2023, to assure their inclusion in the 2024 Starting Point book. Clubs may use the Edit/New page features in the “NEW EVENTS TO BE COMPLETED” and “RESURRECT AN OLD YRE / SEASONAL” sections to create new YRE/SEs as described via the “Help” button on the Edit/New page.
